At RISE UP, we recognise the invaluable perspectives and energy that diverse young people bring to the table. That's why we're launching our Youth Advisory Board, a platform for young changemakers like you to collaborate, innovate, and shape the future of our charity.

As a member of the Youth Advisory Board, you'll have the opportunity to:

- Drive change: Lead campaigns, projects, and advocacy efforts that address the issues and challenges facing young people today.
- Build skills: Develop leadership, communication, and teamwork skills in a supportive and empowering environment.
- Make connections: Connect with fellow young leaders, mentors, and professionals who share your passion for social change.
- Amplify your voice: Advocate for the issues that matter to you, and be a powerful voice for your peers in discussions with our leadership team.

We're looking for diverse young people from all backgrounds, experiences, and walks of life to join us on this exciting journey. Whether you're passionate about social justice, environmental sustainability, education, or any other cause, we want to hear from you!

What we're looking for:
